**NOTICE OF PLAINTIFF OBJECTION TO HEARING FOR DEFENDANTS MOTIONS TO
DISMISS ON 11-07-2007**

COMES NOW, Plaintiff, to this COURT OF RECORD PROCEEDING ACCORDING TO THE
COMMON LAW, to object to this court hearing defendants on the matter of defendants motions
to dismiss for the following reasons, to wit:

1. Defendants motions to dismiss were rebutted by plaintiff via "Motion to Deny Defendant
Motions For Dismissal – filed after 8-16-2007" filed in this case on September 11, 2007, to
which defendants have filed no challenge, and;
2. This court denied both defendants motions to dismiss for the reasons stated in that denial and
with instructions for reconsideration which defendants have not since satisfied, and;
3. For the reasons provided in suggestions in support of plaintiffs' motion to deny defendants
motions to dismiss filed in this case on September 11, 2007, and entered here as if written in
full.

Wherefore, plaintiff prays this court deny hearing to defendants regarding their two previously denied
motions to dismiss where defendants have failed to follow this courts instructions to cure deficiencies
covered by this courts instructions and for all other considerations this court can and should provide in
the interest of justice and fairness.

Respectfully

William Duff
