Dear Mr. Duff:

This is to acknowledge receipt of your complaint against Judge A Rex Gabbert.

Please be advised the Commission on Retirement, Removal and Discipline only has jurisdiction to investigate ethical violations of judges. The Commission does not have the authority to review whether a judge has made the correct decision in any given case, as such is the job of the appellate courts.

A copy of your complaint has been circulated to each member of the Commission for their evaluation.

You will be informed of the eventual disposition of your complaint.

Very truly yours,
